Copy of the note dated 21st June '48 submitted by the
Trust Board Engineer, Mysore

=====

Three watchmen were employed for watch in the stores since a long time when the value of the stock of articles was only Rs 25,000/-. As no sufficient quantity of stock articles were maintained in the Stores, the stock reserve limit was reduced by Government from Rs 25,000/- to Rs 15,000/- in Government Order No L 4225-6/M1 14-36-1 dated the 10th December 1936. Consequently the strength of the watchmen proposed to be reduced as a result of the stock limit having been reduced from Rs 25,000/- to Rs 15,000/-. But it was resolved in the Board that the reduction of staff is not possible. Accordingly the Government have approved and recorded the resolution of the Board vide Flag "A"

Again in the year 1944 proposal was submitted to the Board for increasing the stock limit from Rs.15,000/- to Rs 30,000/- as the quantity of materials had to be stocked heavily in the Stores for the laying underground drainage as explained in the Office note vide Flag "B"

This was approved by the Board on 26th June 1944 without any change in the strength of the staff (Vide Flag "C") and of sanction of Government was sought for, but the sanction of Government was not received till 1946. In the meanwhile it was again submitted to the Board for approving the increase of the stock limit from Rs 15,000/- to Rs 50,000/- instead of Rs.30,000/- as already proposed, as the stock value of materials in the Stores has already reached Rs 35,000/- vide Flag "C". The appointment of one additional watchmen and a Maistry was also proposed in view of the heavy increase of the materials to be watched in stores. This was approved by the Board and sanction of Government was received vide Flag "C" fixing the time limit up to the end of 1947-48. Large quantities of stoneware pipes and other materials had to be further stocked in connection with several underground drainage and other works. The cost of these materials exceeded the sanctioned stock limit of Rs 50,000/-. The Comptroller objected for having stocked the materials above the sanctioned limit. Hence further proposal was submitted to increase ~~xxxxxxBoard Resolutionxxxxxx Government~~ the stock limit from Rs 50,000/- to Rs 75,000/-. Accordingly as per Board Resolution, sanction of Government was obtained to stock the materials up to the value of Rs 75,000/-. The present value of stock materials on hand is Rs 60,000/-

In order to watch the materials of the stores both day and night, the watchmen staff are absolutely necessary and the same may kindly be sanctioned permanently and included in the regular establishment. In this connection it is pointed out that in the revision of scale recently sanctioned by Government all the peons who were getting Rs 10/- have been given Rs 18/- in the grade Rs 18-1-22. Accordingly the pay of the watchmen of the Stores has to be raised to correspond with that of the peons. This is now submitted for kind consideration and sanction of the Board on a permanent basis with effect from 1st July 1948.

Comparative
The comprehensive statement showing the existing rate of pay and the proposed pay of the above staff is appended below:-
